

CASH TESTER

CT 332 SD

Fast, updatable and with auto-detection!

A new generation of detectors is born: smaller, quicker and with automatic currency detection! The CT 332 SD checks all Euro notes and is standard equipped with a second currency.

The CT 332 SD and its (optional) rechargeable battery, the sophisticated report function and the update possibility of the machine via the built-in micro SD card reader or USB: we can't make it easier for you!

And of course: 100% result in the Euro counterfeit test!
